

Dear Mr Hales and all the staff at St Bede's Prep.

For our daughter to go to St Bede's was a big decision for us, but we have been delighted that we made that choice.

Our daughter has had four very happy years at the school. It has been a delight for us, as parents, to see her grow and develop in response to the wonderful teaching environment at the school.

St Bede's Prep has been everything we wanted for our daughter and we are very grateful to you for that.
